CAREER OBJECTIVES

A motivated frontend developer with 2+ years of experience in creating and developing dynamic, responsive web user interfaces. I have strong passion in developing excellent and engaging user interfaces and as someone who enjoys solving problems, software development was an obvious path.

Ready and qualified for the next stage in a successful career. Currently looking for a suitable position with an ambitious company .

EXPERIENCE

Nov 2020 - Present

COMPLUS TECH LIMITED
Front-End Developer , Surulere Lagos
Writing, designing and editing web page content, performing website updates as needed.

Developing delightful user-facing features.

Identifying issues discovered by testing and feedback from internal and external clients, and correct problems.

Collaborating with teams on website plans, such as budgets, performance requirements, equipment or legal issues, including privacy and accessibility.

Apr 2020 - Oct 2020

CODE360
Front-end Developer (Trainee), Surulere
Designed, built and maintained websites using the appropriate coding and scripting languages.

Turned UI/UX prototyped designs into creating excellent interactions from designs to development.

Wrote reusable code and libraries to a standard which makes it quick and easy to maintain the code in the future

Assisted the Development Manager to evaluate and improve software.

EDUCATION

● **2013 - 2016** **B.A Philosophy**
Olabisi Onabanjo University, Ago-Iwoye, Ogun State
 Second Class, Upper Division Hons.
